

AMENDMENTS TO THE SPECIFICATION

Please amend the paragraph at page 2, lines 6-9 as follows:

A technology known as WCCP (Web Communication Control Protocol) exists to help avoid these complications, (see Cisco White Paper, "Network Caching and Cisco Network Caching Solutions", [HTTP://www.cisco.com/warp/public/cc/cisco/mkt/scale/cache/prod/it/cdsds.htm](http://www.cisco.com/warp/public/cc/cisco/mkt/scale/cache/prod/it/cdsds.htm)).
